AWARDS BANQUET FOLLOWING THE COMPETITION ON OCTOBER 3RD AT THE LOEL CENTER

The agility site will be open for inspection and practice.

No prior inspection of or entry into the search area will be allowed.

Please wear your team uniform; a duty belt is not required.

No firearms will be permitted or worn during the protection phase.

K9 TRIAL

HOSTED BY THE LODI POLICE DEPARTMENT CANINE ASSOCIATION

EVENTS

SEARCH

This phase consists of a search in which the dog may or may not have the opportunity to engage the decoy. All dogs will begin from a designated starting point. When you believe your dog has located the hidden decoy, you must notify the judges by raising one arm and pointing with the other toward the hiding place. The search is limited to 90 seconds.

OBEDIENCE

This phase will consist of off-leash heeling on a designated course directed by an on-field steward.

This phase may also include gunfire or other distractions.

AGILITY

The agility course may be performed in either a static or fluid manner. Regardless of the style you choose, you must demonstrate control of your dog as they perform each obstacle. You will have a maximum of two attempts to complete each obstacle. Hand signals, verbal commands, and encouragement are permitted.

PROTECTION

The protection phase will be announced on the day of the trial. During this phase, you will be expected to take reasonable measures to ensure the safety of the agitators in the event of equipment failure, falls, or other unforeseen incidents.

NARCOTICS

This phase will involve searching for hidden containers that simulate commonly encountered street drugs.

FIREARMS

This phase will involve searching and locating hidden firearms.

EOD

This phase will involve searching for hidden containers that simulate commonly encountered explosive compounds.

PERMITTED CONTROL DEVICES

Dogs may wear only one collar, which must be either a choke chain, fur saver chain, or leather agitation collar. The use of electronic, pinch, or prong collars is not permitted. No prongs, bolts, or other projections may be affixed to any collar.

All collars will be checked
